

Cleanup & Waste Disposal Guidelines:

- **Sinks Usage:**
All equipment and utensil cleaning must be done only in the installed sinks arranged by **SHOWTECH through CFG.**
- **Liquid Waste:**
All liquid dumping (including water, sauces, beverages, etc.) must be done in **SHOWTECH sinks only.**
- **Ice Disposal:**
Melted or unused ice must also be disposed of in the installed sinks **arranged by SHOWTECH through CFG.**
- **Prohibited Dumping Locations:**
No dumping is allowed in:
 - Guest washrooms
 - Loading dock area
 - TCC service (permanent) sinks
- **Organics:**
Small grey totes (32") will be provided for **organic waste on show floor.**
- **Mixed Garbage:**
Large totes (96") can be used for **mixed garbage** (organics, paper, plastics). TCC's appointed waste removal company will handle sorting offsite.
- **Hot Oil Disposal:**
Aluminum bins labeled "**Hot Oil**" will be placed beside SHOWTECH sinks for proper oil disposal.
